

SUMMER LISTENING CHALLENGE

It's summer time and there are so many fun things to do!

Audiobooks can be a great companion for art projects, exercise, gardening, and car trips. Give what we like to call [#handsfreereading](#) a try and with Libro.fm, each listen supports your local bookstore and community.

HOW DOES IT WORK?

First, listen to 20 hours of audiobooks between July 1st and September 4th. Next, track your progress using this worksheet. Finally, email a picture of your completed worksheet to bookstores@Libro.fm and we'll send you a FREE Libro.fm t-shirt and earbuds!

WHO CAN PARTICIPATE?

Anyone! Adults, Parents, grandparents, kids, teenagers—we have audiobooks for all ages! Start exploring at [Libro.fm](#) and be sure to use our new Wish List to track which audiobook you want to listen to next!
